Magellanica, Dana, 1852,	255
Stenopleura—	
atlantica, Stebbing, 1888,	950, pl. lxxxiv
Stenothoe—	
adherens, Stebbing, 1888,	748, pl. xxxix
Alderi, M'Intosh, 1874,	430
brevicornis, G. O. Sars, 1882,	539
clypeata, Stimpson, 1854,	278
clypeata, M'Intosh, 1874,	430
Danai, Boeck, 1860,	322, 394
Dollfusi, Chevreux, 1887,	596
marina, Boeck, 1870,	292, 322, 394, 430, 446
monoculoides, Boeck, 1870,	{ 83, 223, 283, 332, 380 430, 446, 520, 594
peltata, S. I. Smith, 1874,	431
pollexiana, M'Intosh, 1874,	430
polyprion, Boeck, 1876,	297, 366
tenella, G. O. Sars, 1882,	539
validus, Dana, 1852,	266, 332
Stimpsonia—	
chelifera, Sp. Bate, 1862,	334, 484, 594
Streetsia—	
challengeri, Stebbing, 1888,	1603, pl. ccvii
Stygobromus—	
vitreus, Cope, 1872,	406, 413, 451
Sulcator (see Haustorius)—	
{ arenarius, Sp. Bate, 1854,	243, 283, 307, 310, 435
{ arenarius, Boeck, 1870,	394
marinus, Sp. Bate, 1857,	292
Sunamphitoë (also spelt Sunamphithoë)—	
conformata, Sp. Bate, 1857,	292, 366, 435
gammaroides, Stebbing, 1874,	292, 435
hamulus, Sp. Bate, 1857,	{ 167, 292, 366, 396 435
longicornis, Boeck, 1870,	396
podoceroideus, Sp. Bate, 1862,	204
valida, Czerniavski, 1868,	376
Sympronoë—	
parva, Stebbing, 1888,	1533, pl. excii
propinqua, Stebbing, 1888,	1537, pl. exciii, B
Synamphithoë—	
conformata, White, 1857,	305
hamulus, White, 1857,	305
Synopia—	
angustifrons, Dana, 1852,	269, 576
caraibica, Bovallius, 1886,	576
gracilis, Dana, 1852,	269, 576
orientalis, Kossmann, 1880,	517, 576
Schéeleana, Bovallius, 1886,	576, 799, pl. lii
ultramarina, Dana, 1852,	269, 517, 576, 802, 804
Synopioides—	
macronyx, Stebbing, 1888,	1000, 1223, pl. xcivA
Synurella—	
polonica, Wrześniowski, 1877,	472
Syrrhoë—	
bicuspis, Goës, 1865,	357, 386, 388, 431
crenulata, Goës, 1865,	{ 357, 394, 423, 431, 556 797, 1634
hamatipes, Norman, 1869,	788, 1628
levis, Boeck, 1870,	394
papyracea, Stebbing, 1888,	789, pl. l
semiserrata, Stebbing, 1888,	793, pl. li
Talitronus—	
insculptus, Dana, 1852,	254, 262, 265
Talitrorchestia—	
Cloquetii, Brandt, 1851,	246
Talitrus—	
affinis, Haswell, 1885,	514, 564
assimilis, Haswell, 1880,	514, 564
{ Baucoudraii, Guérin, 1832,	147
{ Baucoudraii, M.-Edw., 1830,	141, 147, 185, 191, 244
brasiliensis, Dana, 1852,	265
